QUALIFICATIONS:

- 1. Minimum:** Bachelor's degree with an emphasis in mathematics or related field
- 2. Preferred:** Teaching certificate and/or "appropriately certified" status in secondary mathematics education

JOB DESCRIPTION: 7th and 8th Grade Math Teacher (2022-2023 School Year). Flagstaff Junior Academy Middle School, a 5th through 8th grade school of approximately 170 students, is seeking a dynamic math teacher to join our talented team. Flagstaff Junior Academy is a public charter school with small class sizes, dedicated staff, and committed parents. The middle school's curriculum is based on experiential learning and focuses on outdoor leadership. Flagstaff Junior Academy has early-release Fridays. For more information, visit our website: www.fjademy.com.

REQUIRED SKILLS:

1. Maintain excellent classroom management
2. Incorporate differentiated instruction
3. Uphold organizational skills and be a self-starter
4. Foster a nurturing classroom environment where creativity and critical thinking skills can be safely and eagerly expressed
5. Schedule and facilitate team meetings that include parents, teachers, and support staff

REPORTS TO: Executive Director and Assistant Director

EVALUATION: Performance will be evaluated in accordance with the Governing Board Policy on Evaluation of Support Services Personnel
